

Handmade Vacuum Tube Speaker System

<p>Product: Handmade Vacuum Tube Speaker System</p> <p>Model: ISI-MQ1</p> <p>Output Power: 15W / Each</p> <p>Frequency Response: 20Hz ~ 25KHz</p> <p>S/N: 87.5dB (A – weighted)</p> <p>Tube: 6n3 (5670) * 1</p> <p>Speaker Unit: 3" * 2</p> <p>Net Weight: 5.0 KGS / Set</p> <p>Amplifier Packing Size: 110 by 110 by 115 mm</p> <p>Speaker Packing Size: 100 by 180 by 200 mm</p>	
--	--

<p>Product: Handmade Mini Hi-fi Speaker System</p> <p>Model: ISI-MQ2</p> <p>Output Power: 15W / Each</p> <p>Frequency Response: 20Hz ~ 25KHz</p> <p>S/N: 88.7dB (A – weighted)</p> <p>Speaker Unit: 3" * 2</p> <p>Special Feature: Support Reading Mp3 Files from USB Drive, SD / MMC Memory Card</p> <p>Net Weight: 5.0 KGS / Set</p> <p>Amplifier Packing Size: 110 by 110 by 115 mm</p> <p>Speaker Packing Size: 100 by 180 by 200 mm</p>

Handmade Vacuum Tube Speaker System

<p>Product: Handmade Vacuum Tube Speaker System</p> <p>Model: ISI-M1</p> <p>Output Power: 25 W / Each</p> <p>Frequency Response: 20Hz ~ 50KHz</p> <p>S/N: 87.5dB (A – weighted)</p> <p>Tube: M01A * 1</p> <p>Speaker Unit: VIFA 1" + VIFA 4"</p> <p>Net Weight: 15 KGS</p> <p>Amplifier Weight: 4.5 KGS / Set</p> <p>Speaker Weight: 10.5 KGS</p> <p>Packing Size: 100 by 150 by 203 mm</p> <p>Speaker Packing Size: 425 by 335 by 315 mm</p>	 <p>A photograph of the ISI-M1 speaker system. It features two black and orange speakers with a curved top, and a small silver amplifier with a vacuum tube visible on top. The speakers are resting on a bed of white wood shavings.</p>

<p>Product: Handmade Vacuum Tube Speaker System</p> <p>Model: ISI-M2</p> <p>Output Power: 35 W / Each</p> <p>Frequency Response: 20Hz ~ 50KHz</p> <p>S/N: 88.7dB (A – weighted)</p> <p>Tube: M01A * 2 WY3P * 4</p> <p>Speaker Unit: VIFA 1" + VIFA 5.25 "</p> <p>Amplifier Weight: 8.5 KGS / Set</p> <p>Speaker Weight: 18.5 KGS</p> <p>Packing Size: 363 by 358 by 218mm</p> <p>Speaker Packing Size: 465 by 335 by 390MM</p>	 <p>A photograph of the ISI-M2 speaker system. It features two black and brown speakers with a curved top, and a silver amplifier with two vacuum tubes visible on top. The speakers are resting on a bed of white wood shavings.</p>

Handmade Vacuum Tube Speaker System

<p>Product: Handmade Hi-fi Speaker System</p> <p>Model: ISI-MK2</p> <p>Output Power: 40W / Each</p> <p>Frequency Response: 50Hz ~ 22KHz(40W Power)</p> <p>S/N: 90dB (A – weighted)</p> <p>Speaker Unit: VIFA 1" + VIFA 5.25 "</p> <p>IC: TDA 7294 (1 Set)</p> <p>Net Weight: 17.5 KGS</p> <p>Speaker Weight: 17.5 KGS</p> <p>Packing Size: 185 by 280 by 325 mm</p>	 <p>A photograph of the ISI-MK2 speaker system. It features two large, black, horn-shaped speakers with a wood-grain top panel. In the foreground, there is a bottle of Hennessy Martell cognac and a glass of cognac, suggesting a high-end, sophisticated audio environment.</p>

<p>Product: Handmade Hi-fi Vacuum Tube Speaker System w/ iPod Dock</p> <p>Model: ISI-I1</p> <p>Output Power: 20W / Each</p> <p>Frequency Response: 65Hz ~ 22KHz (1W Output)</p> <p>S/N: 90.5dB (A – weighted)</p> <p>Speaker Unit: VIFA 1" + VIFA 4 "</p> <p>Special Feature: <u>with iPod Dock</u></p> <p>Speaker Weight: 8.5 KGS (1 Set)</p> <p>Speaker Packing Size: 330 by 138 by 165 mm</p>	 <p>A photograph of the ISI-I1 speaker system. It consists of two smaller, black, rectangular speakers with a wood-grain top panel, flanking a central silver-colored iPod dock. The dock has two blue glowing lights on its sides.</p>

Handmade Vacuum Tube Speaker System

<p>Product: Handmade Vacuum Tube Amplifier</p> <p>Model: ISI-M30A</p> <p>Output Power: 25W / Each</p> <p>Frequency Response: 20Hz ~ 50KHz</p> <p>S/N: 89.5dB (A – weighted)</p> <p>Tube: 6N8P * 1\6N9P * 1\EL34 * 2 (1 Set)</p> <p>Amplifier Weight: 11.5 KGS (1 Set)</p> <p>Amplifier Packing Size: 550 by 350 by 280 mm (1 Set)</p>	 <p>A photograph of a silver-colored vacuum tube amplifier. It features two large vacuum tubes in a glass enclosure on the left side. The front panel has a large volume knob and several input ports. The device is placed on a light-colored surface.</p>

<p>Product: Handmade Hi-fi Speaker System</p> <p>Model: ISI-M30S</p> <p>Output Power: 150W</p> <p>Frequency Response: 380Hz ~ 40KHz (1W Output)</p> <p>S/N: 89.5dB (A – weighted)</p> <p>Speaker Unit: 1" + 6.5 "</p> <p>Speaker Weight: 51 KGS</p> <p>Speaker Packing Size: 260 by 380 by 1100 mm</p>	 <p>A photograph of a tall, slender hi-fi speaker system. It has a dark wood-grain finish on the sides and a black front panel. The speaker is mounted on a stand and has a visible driver unit on the front panel.</p>

<p>Product: Amplifier</p> <p>Model: ISI-M2604</p> <p>Output Power: 50W / Each</p> <p>Frequency Response: 20Hz ~ 50KHz</p> <p>S/N: 89dB (A – weighted)</p> <p>Amplifier Weight: 5 KGS</p> <p>Amplifier Packing Size: 260 by 350 by 155MM</p>	 <p>A photograph of a silver-colored amplifier. It has a rectangular shape with a front panel featuring a large volume knob and several input ports. The device is placed on a light-colored surface.</p>
